2019-2020

EFFECTIVE: 1st SEPTEMBER 2019

AIRGROUP AUSTRALIA - TERMS & CONDITIONS - 2019

Prices are valid from 1st September, 2019 but are subject to increase without notice. Goods will be invoiced at the correct price on the day of invoice. Please check to make sure that the correct goods have been received and notify us immediately if they are not correct or if any items are short supplied. **We can only accept goods back if notified within 7 days of you receiving them.** Returned goods are subject to re-stocking fee. All goods remain the property of AirGroup until they are paid for. The purchaser is responsible for any loss or damage to the goods whether by theft, accident or any other cause once the goods have been despatched from AirGroup.

Goods will not be supplied if there is any outstanding amount not paid for on or before the last day of the month following invoicing. While we will try our best to supply goods on the nominated delivery date, AirGroup will not be liable for any claim or expenses incurred by late delivery of the goods. Please inspect goods immediately on receipt. Any claims for transport damage must be made to your nominated carrier.

Please advise your customers of the manufacturer's warranty details including limitations where the unit is installed at a premises more than 25km from a service agent or in cases where special access equipment including scaffolding, cranes etc is required for servicing the units.

PLEASE NOTE: Exhaust function may affect operation of open flue gas appliances. Exhaust function may need to be disabled at the control panel.

Images shown may depict a product feature or design without fully reflecting the product overall.

Please refer to product details and specifications when making a final selection for purchase.

Carefully inspect all items for damage - dents, scratches, etc BEFORE installing the product.

IF THERE IS ANY DAMAGE DO NOT INSTALL THE ITEM -

Contact AirGroup immediately.

AirGroup WILL NOT accept for return or credit any damaged product that has been installed even if it has not been used. AirGroup WILL NOT reimburse any removal or re-installation costs.
